

Dynamic Management of Diabetes

July 27, 2018 | 8:00am to 4:00pm

Hyatt Regency Indianapolis - Vision Room
One South Capitol Avenue
Indianapolis, IN 46204

This one day diabetes professional education program - designed for doctors, nurse practitioners, physician assistants, certified diabetes educators, and pharmacists - utilizes a unique, hands on curriculum delivered in a participant-centered learning environment. The Johnson & Johnson Diabetes Institute (JJDI) is pleased to bring this program to Indiana.

Our Program Experience Includes:

- Driving optimal patient outcomes with technology
- Innovative teaching techniques
- Simulation of life with diabetes
- Interactive patient cases and pattern management
- Establishing therapeutic patient/provider relationships
- Current recommendations in behavioral health
- Making advanced recommendations based on CGM data

JJDI Program Faculty:

- Susan Williams, MS, RD, MD, FACN, FACP, FACE
- Robert Zimmerman, MD, FACE
- Mary de Groot, PhD
- Jerry Meece, BPharm, FACA, FAADE, CDE

To Register or if you have questions, email info@jjdi.us

This program is sponsored by JJDI and there is no fee for you to attend!
